Buying protective gear at a football specialty store

いつですか？ どこですか？ だれがなにをしていますか？
なにがありますか？ どんなきもちでしょう？

After practice, a friend and I sometimes go to a store that specializes in equipment for American football. I've been coming to this store ever since I first started playing football in elementary school. Now that I'm going on to university, I've decided to buy a new set of protective gear. New gear, I figure, will help me make a fresh start in the bigger time of college ball. This time I bought a set of shoulder pads for 35,000 yen. Football players wear a lot of gear, and a full set costs about 100,000 yen. When I make big purchases like this, I usually get the money from my mother.
