Playing a football video game in my room

いつですか？ どこですか？ だれがなにをしていますか？
なにがありますか？ どんなきもちでしょう？

Here's me playing a video game before going to bed. I often play video games when I'm in my room. I rarely study at home unless I have exams coming up, so I leave all my textbooks downstairs rather than bring them up to my room. I leave my whole school bag downstairs, too-- I just can't be bothered with it. Most of my video games are football games like "NFL." Apart from being fun to play, they're actually pretty useful when it comes to practical training and strategy."
